

## Recruiting Talent

What is the difference between filling a position and finding the needed talent? The former carries a high turnover risk, while the latter contributes to profitability and accomplishment of corporate objectives. Why not let Career Partners International help you attract talent that can put you miles ahead of the competition?

MaryEllen Carlo brings passion and enthusiasm to every search, having completed assignments across a broad array of industries. As Director of Search Services at Career Partners International Buffalo | Niagara, her primary focus is on the search and recruitment of Mid Level Management to Executive Level professionals, adding value to companies where people have an impact on the strategic direction and profitability of those organizations.

The many benefits of utilizing the services of CPIBN for your recruiting needs include:

- A structured process and strategic approach that will take your recruiting to the next level.
- Customized recruiting solutions including sourcing candidates, screening candidates, reference checking, and other HR solutions.
- The use of on-line assessment tools such as the WorkPlace Big Five and Hogan Values to determine personality fit for a position.
- Access to a network that consists of thousands of resumes and both active and passive job seekers in Western New York and across the country.
- A team of experienced employment professionals who understand that you have high standards, committed to providing you with the right candidates who "fit" the job and your organization.
- Measurable results which include reduced time to fill and cost per hire as well as improving hiring manager and candidate satisfaction.
